1. **Aboveground Storage Tanks** – The large facilities are part of the FRS data set that can be downloaded from a public facing website here.
2. **Boat Accesses** – Assuming the requestor wants boat ramps, we have not been able to find a comprehensive list for the boat ramps with locations.
3. **Dams** (Non-Navigational) – Dams data can be downloaded here
4. **Environmental Sensitivity Index -**
5. **EPA-USCG Jurisdictional Boundary** –Zip file attached
6. **Hazardous Materials Storage** – If requestor is referring to the RCRA TSD sites, those are part of the FRS data that can be downloaded here.
7. **Locks and Dams** (Navigational) – Locks data can be downloaded here
8. **Managed Land Boundaries –** ambiguous
9. **Managed Lands –** ambiguous
10. **Marinas** – Don't have the data but this may be regulated under the UST program since they may have a refueling station.
11. **Other Environmentally Sensitive Areas –** Suggest requestor reviews nature conservancy data and USGS national wetlands inventory
12. **Pipelines** - Cannot release this data. This is a proprietary data set with a non-disclosure agreement.
13. **Response Strategies** – The requestor may be referring to Facility Response Plans. We do not have access to the plans but the facilities have been added to the FRS publicly available data and can be downloaded here
14. **Sensitive Species** (Natural Heritage Inventory) - We do not have this data. Suggest requestor reviews nature conservancy data
15. **Specially Designated Areas -** unclear
16. **Tribal Lands** –The official source would be the bureau of Indian affairs and can be downloaded here.
17. **Water Intakes** – Restricted/sensitive data. Access use constraints restricts distribution of this data.
